

## **ISO 9001:2008 Awareness Course for Quality Managers and Auditors (Half day)**

### **Overview**

The purpose of the training is to ensure that both Quality managers and auditors are aware of the changes to ISO 9001:2008 and understand what effect they will have on the quality management system and how to interpret the changes when undertaking audits

Note - IRCA registered auditors must complete 2 hours CPD before any audits to the new standard will be taken into account for registration/re-registration purposes.

### **Course Content**

- Introduction and Objectives
- ISO 9001:2008 – outline philosophy and principles
- Impact on established management systems and certification
- ISO 9001:2008 – impact of the update on auditors
- Interpretation of the update

### **Approach**

As always with MFQ training events, the session is highly interactive and include practical exercises to reinforce the key learning points

### **Duration**

3 hours approximately

### **Public Course Dates**

Ask for details

We also offer the training in-house, so if you have a number of people to update then this may be the most cost-effective option for you.
