

ISO 9001:2008 QMS Auditor Transition Course (Half day)

Overview

The purpose of the training is to ensure that auditors are aware of the changes to ISO 9001:2008 and understand how to interpret the changes when undertaking audits

Note - IRCA registered auditors must complete 2 hours CPD before any audits to the new standard will be taken into account for registration/re-registration purposes.

Course Content: ISO 9001:2008 QMS Auditor Transition Training

Introduction and Objectives

ISO 9001:2008 – outline philosophy and principles

ISO 9001:2008 – impact of the update on auditors

Interpretation of the update

Impact on established management systems and certification

Approach:

As always with MFQ training events, the session is highly interactive and include practical exercises to reinforce the key learning points

Duration:

3 hours approximately

Public Course Dates:

February 12th pm or February 13th am

We also offer the training in-house, so if you have a number of people to update then this may be the most cost-effective option for you.
